

Product: STALK-R LED downlight

Description:

The STALK-R is a economical downlight with good efficiency and light output. It has a very low void design to fit into tight spaces. The STALK-R has a recessed mounted frosted opal optic

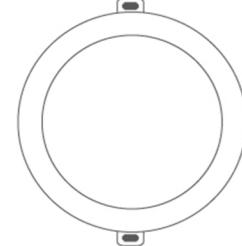

Physical attributes:

Width: 180mm diameter
 Cutout: 160mm
 Height: 41mm
 Ceiling type: any
 Mounting type: Recessed
 Colour finish: white
 Dimming protocol: DALI or switching

Lighting attributes:

LED manufacturer: CREE
 Driver manufacturer: Philips
 Optics: Frosted opal
 Lumen output: 1290lm or 1840lm
 Power consumption: 15w or 22w
 Colour temperature: 3000K, 4000K
 Colour consistency: <3 Std MacAdam
 Colour rendering: Ra>80
 Rated LED lifetime: 50,000 hours
 Emergency pack type: None
 Warranty: 5 years

Efficiency in luminaire lumens per circuit watt: **86**
